

SAME DAY CROSS COUNTRY REQUEST

The SOF is authorized to release qualified pilots for 1-day cross-country trips to airfields listed below. The aircraft must be able to return on the same day. Remaining over night is not authorized using this request format. All normal flight planning information is still required (TOLD Card, Flight Plan, etc.) and must accompany this request. The PIC is responsible for runway information accuracy. If the SOF has any doubt to the 1-day trip, you may be deferred to the Club Manager or the Chief Flight Instructor for release. Attach this copy to the Aero Club copy of your flight plan.
